

Mike Spence for State Assembly™

Taxpayer Advocate ★ Conservative Leader

It's time to take the fight to Sacramento. I'm tired of sending "nice" people. I am tired of excuse makers and apologists for liberals in both parties.

For 30 years, I've been fighting on behalf of taxpayers. That's why the Secretary of State certified me as the only Taxpayer Advocate on the ballot.

Unlike my opponents I have never voted for a tax or fee increase.

It's time to fight for our principles in Sacramento. That's what I will do if you elect me as your Assemblyman.

My Plan...

- ✓ **Stop Runaway Government**
The Legislature passes bills that impact everyone from the boardroom to the bathroom. Government needs to leave us alone. I'll fight for liberty and expose the sweetheart deals in Sacramento.
- ✓ **Stop the Tax Hike Insanity**
I've got a proven record as a tax fighter; that's why I'm the only Taxpayer Advocate on the ballot.
- ✓ **No More Benefits for Illegals**
Others talk about fighting illegal immigration. I've been in the trenches leading the charge against driver's licenses and other benefits for illegals.
- ✓ **Punish Criminals, Don't Coddle Them**
Prop 47 has led to a rise in property crime and violent crime. We need to stop the criminals, not coddle them.
